RARE find near FM 529 + Hwy 6: a beautifully remodeled 2,454 sq ft townhome with no back neighbors and space that lives like a single-family home. 4 bedrooms + 3 full baths, this layout is built for real life: an open kitchen, dining, and living setup that keeps everyone connected while still feeling elevated and comfortable. The kitchen steals the show with sparkling granite countertops, soft-close cabinetry and drawers, and a bright, light-filled feel with tons of natural light. Upstairs, the primary suite delivers with a stunning ensuite bath and double sinks for that everyday luxury. You will also love the abundant closet space in every bedroom, multiple interior storage closets, plus an additional exterior storage closet for the extras. Cozy up on the cold days with a gas fireplace, unwind in your fenced back patio, and enjoy the convenience of 2 covered parking spaces. Bonus: community perks include tennis courts and pools in an excellent neighborhood. Schedule your showing ASAP
